Our Changing World

Does your changing room need a facelift?

Colours and styles go out of fashion so quickly and can really date your facility. The 10 year guarantee which is standard with all Geschwender products means that when the time comes to update your decor, you don't need to start from scratch.

The lockers at Leo's had been in place for many years when they decided it was time for a refurbishment. Geschwender replaced the doors and end panels and supplied new solid surface vanity units and shelves to create a new and sophisticated look for the club.

Leo's can expect many more years of impeccable service from their Geschwender lockers.

If this inspires you for your projects, we would love to hear from you!
