

Issue 43

17th May 2016

Wymondham Leisure Centre, South Norfolk. UK. Geschwender HPL Lockers with Ojmar £1.00 coin locks and block bench.

Reopened at the start of April 2016, the leisure centre in Wymondham, Norfolk set out to be an industry leading facility for it's community. Comprising of a two story gym housing 100 work out stations and a state of the art fitness studio as well as a brand new swimming pool and spa area.

The £3.5m expansion of the Leisure Centre also necessitated an overhaul of the lockers and changing facilities in order to keep the standard of the facility consistent throughout.

LSA Projects Ltd and Geschwender were specified to undertake the production and installation of almost 1000 High Pressure Laminate coin operated lockers as well as numerous single and family size changing cubicles of the same material for the facility.

*"LSA's service was very proactive and responsive, creating various options for the client and design team to discuss. Their collaborative approach was first class and LSA have ultimately helped to deliver a durable, ergonomic and striking product at great value."*

**Nathan Swift, Director - Saunders Boston Architects**

Wymondham Leisure Centre, South Norfolk. UK. Geschwender HPL Lockers, solid surface vanity units and block benches.

The High Pressure Laminate offered by Geschwender is regularly specified in the Leisure market for its durability in extreme conditions. In addition to potential humidity and cleaning chemicals, their products are often exposed to physical strain. Geschwender's HPL solutions have undergone generations of daily use in schools and leisure facilities and have proven themselves the strongest contender in all installations.

As such all Geschwender products are supplied with a 10 year guarantee

If this inspires you for one of your projects we would love to hear from you!
