Product: Rotunda - GUSTAFS Panel System in Walnut
Banqueting Hall and Foyer - GUSTAFS Panel System in Oak

Architect: Red Box Architecture

Installer: Joyce & Reddington

Project: Hilton Hotel @ The National Football Centre, St George's Park, Burton on Trent

Having recently been opened by the Duke and Duchess of Cambridge to critical acclaim, LSA are proud to have supplied 476 m² of both oak and walnut GUSTAFS Panel system to the banqueting hall, foyer and rotunda of the new Hilton Hotel at St George's Park.

The image above shows GUSTAFS installed in facet to the rotunda, providing high aesthetics with strong acoustic functionality.

We thank Red Box Architecture for their kind specification.

If this inspires you for your projects, we would love to hear from you!
