Inspiration...

Issue 33

21 May 2014

Project: Bathgate Civic Centre

Product: Dalhem Ribba Wall in Oak with 30mm deep Ribs

Architect: BDP

Installer: Souness and Boyne

LSA are very proud to have supplied over 100m² of Dalhem Ribba Wall in natural

Oak veneer to this project in West Lothian, Scotland.

The new Civic Centre houses the majority of local services including a public advice service, a library and a community cafe as well as office space for the council itself.

Dalhem Ribba is used as a focal point for the central atrium, cladding the multi purpose drum which houses the computer suite, meeting rooms and a central reception desk.

We are also delighted to have a new e-brochure for this product, please download it [here](#).

If this inspires you for one of your projects we would love to hear from you!
